

Clint Manning

Managing Principal Dallas

Professional Experience

Clint Manning specializes in multi-state site selection, transaction management, and portfolio solutions for global clients. With extensive corporate services experience, he develops data-driven strategies to help occupiers identify optimal site locations and creates workplace strategies to ensure alignment with internal and external initiatives. Clint has executed site selection projects across North America, including leases and acquisitions for corporate and regional headquarters, offices, fulfillment centers, showrooms/design centers, innovation studios and contact centers. Clint leverages labor analytics and consumer data intelligence to improve operational effectiveness and ROI for his clients. Clint's core expertise is in e-commerce/direct-to-consumer, retail fulfillment, and logistics sectors.
