

Dan Budman

Vice President

Professional Experience

Dan Budman is an accomplished agent, who brings with him a determined outlook as he provides a professional level of advisory and transaction experience.

Dan has extensive experience with purchase and lease negotiations involving, lease renewals, terminations, subleasing and disposition assignments, representing user groups primarily in the areas of office and medical real estate. His services include providing the market and financial intelligence needed to help his clients make the best real estate decisions, all while they can continue operating their business. Dan's practice is also focused on representing his clients in both a local and multi market capacity, further specializing in portfolio solutions.

Dan's previous experience at one of the largest global real estate firms, representing institutional owners, gives him unique insight to create additional value. He is continuously appreciated by his clients for maintaining their interests of their commercial real estate needs.

Education

Dan holds a Bachelor of Commerce Degree from MacEwan University with a major in Marketing

Affiliations

Dan is currently a licensed Associate with the Real Estate Council of Alberta (RECA)
