

# Jacob Zammit

**Senior Vice President  
South Florida**

## Professional Experience

Jake is a Senior Vice President of Cresa’s South Florida office. He specializes in occupier representation on behalf of office, medical, and industrial tenants throughout the tri-county area, and across the country. Jake’s client centric focus often involves the development and implementation of broader portfolio strategies centered around: cost reduction or containment, monetization of under-utilized assets, and optimizing workflow efficiencies. These transactions range from multi-state site selection projects, complex acquisitions, and fast-track projects all on an occupier representation basis. Jake’s forward-looking approach delivers quantifiable outcomes for both private business owners and enterprise leaders alike.
