

## Sean Brennecke

### Vice President

Healthcare Practice Group Lead – Pacific Northwest Region  
Portland

#### Professional Experience

Sean specializes in office and healthcare real estate tenant representation—serving medical, dental, and veterinary clients throughout the Pacific Northwest and nationwide. He advises on all leasing, sales, and ground-up development needs, helping providers make smart, strategic decisions at every stage. He proudly leads Cresa’s healthcare real estate practice group for the Pacific Northwest and represents a diverse range of clients, including independent providers, multi-location groups, and private equity-backed organizations.

#### Affiliations and Awards
